ABOUT THE CONFERENCE

IEMRE 2025 addresses the urgent need for transition from fossil fuels to sustainable renewable energy solutions. This international conference focuses on advances in renewable energy generation, storage, management, smart grid integration, and policy development. It brings together global researchers to tackle technological and socio-economic challenges in energy transformation while fostering collaborative innovation and knowledge exchange among industry experts and academics worldwide.

ABOUT THE COLLEGE

Established in 1989, the Institute of Engineering & Management stands as West Bengal's pioneering private engineering institution, marking over three decades of academic excellence. IEM has been serving for more than 35 years in the field of engineering and management education. IEM has earned NAAC Grade A accreditation and NBA recognition across eligible departments, offering comprehensive B.Tech, M.Tech, and Management programs.
